Mr. John D. Gibson, Assistant Staff Director  
 Reports Analysis Division  
 Federal Election Commission  
 Washington, D.C. 20463

Ref: Letter dated February 27, 2003

Dear Mr. Gibson:

Since receiving your letter referenced above, I have gone back and performed a thorough review of our report submitted for the quarter ending September 30, 2002. As you advised, I found several types of errors within this report.

We found that we had received contributions from forty two (42) contributors that were earmarked for the general election or otherwise exceeded the contribution limit. Thirty nine (39) of these contributions, totaling \$ 31,180.00 have been refunded to these individuals. We had incomplete information for the remaining three (3) contributors that prevented the return of their contributions. These contributions, which total \$ 1,900.00 will be donated to a non-profit charitable organization

We also noted, and corrected on our amended report, thirty two (32) primary contributions that had been recorded incorrectly to the general election.

The two 48 hour notices you inquire about were actually received prior to August 01, 2002. These items were received in July and included on our amended report for the period ending July 31, 2002.

The amended report filed for this period will contain all other corrections we were able to make.

Sincerely,

Elyria L. Mackie, Treasurer  
 Cynthia McKinney For Congress
